**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). OFFICE OF PETITIONS

In re Application of :  
Kawamoto et al. : DECISION ON PETITION  
Application No. 09/518,808 :  
Filed: March 3, 2000 :  
Atty Docket No. 7217/31035 :

This is a decision on the PETITION TO REVIVE ABANDONED APPLICATION UNDER 37 CFR 1.137(B) filed July 19, 2006.

The petition is DISMISSED.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 C.F.R. § 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 C.F.R. § 1.137(b)."

The above-identified application became abandoned effective January 29, 2006 for failure to file a timely reply to the final Office action mailed October 28, 2005. This Office action set a shortened statutory period for reply of three (3) months, with extensions of time obtainable under § 1.136(a). A courtesy Notice of Abandonment was mailed on May 19, 2006.

The provisions of 37 C.F.R. § 1.137(b) provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent. A petition filed pursuant to 37 C.F.R. § 1.137(b) must be accompanied by:

LDLK &amp; M

OCT 16 2006

RECEIVED

- (1) The reply required to the outstanding Office action or notice, unless previously filed;
- (2) The petition fee as set forth in § 1.17(m);
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Director may require additional information where there is a question whether the delay was unintentional; and
- (4) Any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to paragraph (d) of this section.

The petition includes a proposed reply in the form of an amendment, the required statement of unintentional delay and payment of the petition fee set forth in 37 CFR § 1.17(m). No terminal disclaimer is required. However, the instant petition does not satisfy requirement (1) above.

As stated in MPEP 711.03(c),

A reply under 37 CFR 1.113 to a final action must include a request for continued examination (RCE) under 37 CFR 1.114 or cancellation of, or appeal from the rejection of, each claim so rejected. Accordingly, in a nonprovisional application abandoned for failure to reply to a final action, the reply required for consideration of a petition to revive must be:

- (A) a Notice of Appeal and appeal fee;
- (B) an amendment under 37 CFR 1.116 that cancels all the rejected claims or otherwise prima facie places the application in condition for allowance;
- (C) the filing of an RCE (accompanied by a submission that meets the reply requirements of 37 CFR 1.111 and the requisite fee) under 37 CFR 1.114 for utility or plant applications filed on or after June 8, 1995 (see paragraph (d) below); or
- (D) the filing of a continuing application under 37 CFR 1.53(b) (or a CPA under 37 CFR 1.53(d) if the application is a design application).

The amendment submitted does not place the application in condition for allowance. In view thereof, the petition must be dismissed. A courtesy copy of the Advisory Action is enclosed.
